Dear Mike Connor,

We are pleased to inform you that the Sons of Jacob Cemetery was officially listed in the National Register of Historic Places on 6/5/2017 in recognition of its contribution to the cultural heritage of North Dakota.

The National Register of Historic Places, established by the Secretary of the Interior under provisions of the National Historic Preservation Act of 1966, is the official list of the Nation's cultural properties worthy of preservation.

We congratulate you and the other members of your community for the role that you have played in promoting historic preservation in North Dakota, and we want to especially thank you for the assistance that you gave during the nomination process. We hope you will feel free to call us whenever we can be of any assistance to you.

This listing may make future projects eligible for matching grant funds through the Historic Preservation Fund. Public notices of available funding are usually made in the spring of each year, if grant funding is available. If you wish to be mailed a notice directly, please contact our Grants and Contracts Officer, Amy Munson, at 701-328-3573 to be added to the mailing list.

Sincerely,

Claudia J. Berg
State Historic Preservation Officer
